Pork and Trees Field Day

Planting a better tomorrow on your farm.

Wednesday, June 19, 2019

10 a.m. - 1:30 p.m.

Hosted by Bruce & Jenny Wessling

First Site: 1950 250th Street, Grand Junction, Iowa

Second Site: 1321 X Avenue, Grand Junction, Iowa

Join us for a tour of two windbreaks around hog buildings. Bruce and Jenny Wessling host and will showcase their plantings from Spring 2009 and 2019. The 10-year-old planting was the first site for the Coalition's program, and we're excited to be able to celebrate the Coalition's anniversary by showcasing this special project.

Lunch will be provided courtesy the Greene County Pork Producers.
